Subject: Dimock Update

- Fact sheets outlining EPA's plan to communicate data results were distributed to residents.
- The CICs will hand deliver data packages today to 11 homes.
- Tomorrow the CICs will begin scheduling appointments to meet with residents who would like to discuss their data results and any concerns they may have.
- Logistics are being discussed with the CICs for how best to manage the increased number of deliveries and appointments that will be needed in the next few weeks.
